SHEMWELL MUST SERVE FIVE DAYS

Governor Kitchin Grants Partial Commutation to Lexington Man.

[Special to The Times-Dispatch.] Raleigh, N. C., March 30.—The sentence of Baxter Shemwell, a wealthy citizen of Lexington, to five months in the Guilford county jail for assault with two revolvers on a Southern Railway conductor, because he would not stop his through train at Lexington for Shemwell to get off, is commuted by Governor Kitchin to five days in jail and \$500 fine and costs in the case. This disposition of the case was announced by the Governor to-night in a lengthy statement of his reasons, comprising six typewritten pages.

This, first of all, gives a complete summary of the important facts bearing on the assault alleged, as they have been presented to the Governor, the assault having been on a Southern Railway train that he had taken at Charlottesville, Va., and was not scheduled to stop at Lexington.

The Governor refers to fifteen written protests against commutation, as filed with him, some insisting that one's physical condition should not be considered in enforcing sentence to jail. The Governor's statement then passes to a review of the statements of Shemwell, claiming that he was suffering from rheumatism, neurasthenia and hypertrophy of the heart, as present with Shemwell, making imprisonment dangerous to physical and mental well-being.

In conclusion the Governor says: "While applying the same rule to him that has been and will be applied to other prisoners, he should have commutation on the grounds above mentioned, but for manifest reasons he should not entirely escape the lesson of entering jail, therefore commute the sentence to five days in jail and a fine of \$500, providing said fine and costs are paid."

The order for the commitment of Shemwell to Guilford jail was forwarded to the sheriff of the county to-night, effective April 1.

S. S. S. THE BEST SPRING TONIC

Most persons, even those who are ordinarily strong and healthy, need a tonic and blood purifier in the Spring. Some have no particular ailment, but are weak, debilitated and run-down. Winter life with its decreased amount of outdoor exercise, and the fact that cold weather keeps the pores of the skin closed, prevented the proper amount of waste and refuse matter from being expelled from the system. These impurities entering the circulation have thinned and weakened the blood, and the body therefore does not receive a sufficient amount of blood nourishment. The general bodily weakness, tired feeling, fickle appetite, poor digestion, etc., show how anemic the blood has become. Frequently skin diseases, pimples, eruptions, etc., break out and this is evidence of the impurity of the circulation. S. S. S. is the best Spring tonic, because it is the greatest of all blood purifiers. It is the only medicine on which you can rely to supply the system with the needed tonic effects and at the same time purify and enrich your blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the strain of the long, hot Summer. S. S. S. is made entirely from roots, herbs and barks; it is Nature's tonic, pure and healthful. It regulates digestion, tones up the stomach, improves the appetite and promotes strong, vigorous health. This will be your best Spring season if you use S. S. S. for your tonic.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration, and is answered in a confidential manner. Many sensitive women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. It will bear examination. No alcohol and no habit-forming drug. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

EASTER WEEK AT V. P. I.

Enjoyable Dance Given Monday Night by Institute Club.
[Special to The Times-Dispatch.] Blacksburg, Va., March 30.—"To her we drink, for her we pray. Our voices silent never; For her we'll fight, come what may, Virginia Tech. forever!" This sentiment of loyalty to the Virginia Polytechnic Institute, inscribed on the pretty dance cards for the get-together given by the Institute Club Monday night, seemed particularly appropriate just now, and this, the first of the Easter week gales, was a delightful affair. Dan Hoge Spindle, of Christiansburg, with Miss Elizabeth Ewart, of Bedford City, led a number of pretty figures, and, following, a course supper served in the dining hall at midnight, there was an informal hop, lasting until 1:30. Music was by the college orchestra, and the chapters present throughout the evening were Colonel and Mrs. W. R. Dashiels, Professor and Mrs. C. E. Vawter, Mrs. J. S. A. Johnson, Dr. and Mrs. N. S. Mayo, Mrs. O. C. Burkhardt, Dr. and Mrs. H. S. Reed, Mrs. John Burks, of Bedford City, and Mrs. W. S. Luptert, of Winston-Salem, N. C.

SPIDERS TO PLAY PENN. STATE TO-DAY

Pennsylvania State College and Richmond College play to-day.
The Spiders are very hopeful of taking the game "Dutch" Revelle, the star of Richmond, fans, is assisting Dunlop, and together they expect to put a winner in the field. It is true that the locals will have to give a more practicable exhibition than they did in Saturday's contest, when they faced the Richmond division of the Virginia State League. This is expected of them. Last year the league team beat the college boys by about the same score, but the collegians went among their class after the severe defeat, and a long string of "victories" was the result. Guilford, Wake Forest and Davidson Colleges were all defeated by the locals in three successive days. Now the Spiders are getting their stride, and local admirers expect them to have a successful season.

TEAM PUT THROUGH BATTING PRACTICE

Coach Not Satisfied With Hitting of Washington and Lee Squad.

[Special to The Times-Dispatch.] Lexington, Va., March 30.—The Washington and Lee squad was put through hard fielding and batting practice yesterday and to-day. Coach Kenney was not satisfied with the poor hitting in the Rutgers game Monday, and has his men hard at work to improve their batting. Both fielding and hitting were good in Saturday's game with the strong Holy Cross aggregation, and it was due to the long hits by Webster, Waddell and Erwin, and the fast work in running the bases that won for the Varsity.

Moran deserved a far better showing in Saturday's game than the tabulated score gives him. Six Catholic batsmen got in the way of his shoots during the fourth and fifth innings, but after this the southpaw's control was so perfect that there were no more passes to first. Flynn, the crack Holy Cross first baseman, was the only man to hit Moran safely after the fifth inning, while the White and Blue batsmen hit McInerney at opportune times.

Watt Efrid is working behind the bat in good style, and bids fair to make one of the best catchers Washington and Lee has turned out. His brother, Jap' Efrid, has the "earmarks" of a great catcher, and showed up well in the game with Rutgers. Paredes has not yet gotten into his old-time form, but unless Moran recovers from a slight injury received in practice yesterday, Paredes will probably be on the slab against Swarthmore to-morrow. The White twirler from Mexico has pitched some great ball for the White and Blue team during the past three years, having won from Davidson, Lehigh, St. Johns and others, and has made a fine record against such teams as Amherst, Georgetown and Fordham. As soon as his arm is in shape Paredes may be looked to for some good slab work.

The same line-up will probably be used in the first game with Swarthmore, though Waddell and Gwathmey are a little unwell and Smith, the Fishburne boy, is getting into shape for fast infield work.
Captain Stras feels that if the team can take both the Swarthmore games chances are good for the season, and Coach Kenney is straining every nerve to keep his team in the best possible shape.

AMHERST DEFEATS CAROLINA.

Fast Game at Chapel Hill—Both Pitchers in Fine Form.
[Special to The Times-Dispatch.] Chapel Hill, N. C., March 30.—In a fast and exceedingly close game, Amherst drove straight into the infielders' legs, and defeated Carolina here this afternoon by the score of 7 to 2. It was a pitchers' battle from the start. Henry McClure, of Amherst, scarcely pitched a ball, and the Carolina pitcher, four men faced McClure and thirty-four faced Hedgepeth. Five hits were scored by the fourth, while the visiting team were the four successive and decisive events of the game. The features of the game, aside from the pitching of McClure and Hedgepeth and the steady support of both teams, were the catching of Henry Jube's rolling of Dunlap's ball, and the terrific catch of his spiece of Burt and Jube, the six assists of Penneck at short, and beautiful catches of Haskin and Fleet Williams.

Score:
R. H. E.
Amherst 4 1 1
Carolina 0 0 0 0 0 0 0—2 3 7
Hedgepeth, Poole and Swain struck out; McClure, 9; by Hedgepeth, 2. Base on balls—McClure, 1; of Hedgepeth, 2. Left on base—Amherst, 4; Carolina, 3. Stolen bases—Burt, Jube and Bivins. Double play—Hamilton (unassisted). Two-base hits—Jube and Bivins. Time, 1:40. Umpire, Moore.

Home Place Nine Wins.

The Home Place Nine of last year's champions of the Chesterfield and Henrico League, opened their season yesterday afternoon, defeating the Yodelers by the score of 8 to 7. The game was very exciting, and was marked by many features, including Henry Street's homer in the ninth with the bases full. The Home Place boys are trying to arrange a game with Centralia for Saturday.

Madison School Won.

Madison School defeated the Adams Street Cubs by a score of 19 to 8. The feat of the game was the batting of Hancock, Fear and Tyler.

ENJOY EASTER HOLIDAYS.

Several Days of Festivities at Cluster Springs Academy.
[Special to The Times-Dispatch.] Cluster Springs, Va., March 30.—The Easter holidays at Cluster Springs Academy, extending from Good Friday to Tuesday, were very pleasantly observed. Quite a number of young women came from a distance to visit in the community, and the following were entertained for the academy by Mrs. Hampden Wilson: Miss Bessie Steptoe, Lynchburg; Miss Kitty Stone, Hurt; Misses Olivia and May Talbot, Danville; Miss Bessie Fletcher, Woodend; Miss Louise Beedles, Danville, and Miss Flora Lingamfelter, Norfolk.

On Friday night the Joseph Jefferson Dramatic Club presented the comedy, "The Elopement of Ellen," before an attentive and appreciative audience. The cast consisted of seven characters, the parts being taken by T. Y. Steptoe, Lynchburg; Edwin Owen, Denmark; U. L. Jones, Boyce; J. B. Stone, Jr., Hurt; Tazewell Buchanan, Richmond; Graham Edwards, Ferguson's Wharf, and Hampton Cutts, Savannah, Ga. This comedy was again presented in the Opera House in South Boston on Monday night before a packed house. The frog dance, given in costumes of large green frogs, between the second and third acts, took the entire house by storm.

Saturday and Monday were given to social enjoyment. On the afternoon of each day the academy team played a baseball game. On Saturday they defeated the South Boston High School, while the tables were turned on Monday by the Virginia Christian College, of Lynchburg.

On Sunday services were held in the Presbyterian Church morning and night by the pastor, Rev. W. T. Doggett. Both services were well attended, and the Easter music was enjoyed by all.

RANDOLPH-MACON WINS AT ASHLAND

Gettysburg College Outclassed in Poorly Played Game.

[Special to The Times-Dispatch.] Ashland, Va., March 30.—Randolph-Macon swamped Gettysburg (Pa.) College by the score of 14 to 1 in a poorly played and slow game here this afternoon. Had it gone the full nine innings and the Yellow Jackets not tired of running the bases the score would probably have been over twenty. The Northerners started off with a run. With two men out Story singled, and was safe at second when Nolley dropped the throw to catch him, and scored when Haffensperger doubled. Southpaw Gravelly lightened up and in spite of numerous errors by Randolph-Macon's infield beat Gettysburg scoreless the balance of the seven innings.

Randolph-Macon got busy in her half of the first, and got two runs across the pan on a single by Prichard, outfield muffed, infield fumble and a second outfield miscue. Randolph-Macon clinched the game in the fourth, when six runs were scored on two passes, three singles and a home run swat by Hite with two men on bases. After that it was hit and take-as-many-bases-as-you-like comedy, made more farcical when the Methodists scored three more in the sixth.

Both teams fielded poorly, Gettysburg being much the worse offender. The Randolph-Macon errors did not count much against her, as Gravelly was at all times the master of the situation, tightening up when his team's misplays put him in a hole.

Friday Randolph-Macon leaves on a four-game trip playing V. M. I. at Lexington Saturday, Washington and Lee at same place Monday, V. P. I. at Blacksburg Tuesday, and Randolph-Macon Academy at Bedford Wednesday.

Score by innings:
Gettysburg 0 0 0 0 0 0 0—0 0 0
Randolph-Macon 2 0 1 0 0 0 0—14 1 6
Batteries—Randolph-Macon, Gravelly and Beville; Gettysburg, Budeite and Beard. Base and Zack, Umpire, Mr. Rose, of Richmond.
